Presented By The

SENIOR CLASS

MIDDLE TOWNSHIP HIGH SCHOOL

Cape May Court House, New Jersey

Foreword:

In presenting this, the eighth annual yearbook of Middle Township High School, we have earnestly endeavored to record faithfully the events of another year in our Alma Mater.

We present to you, classmates and faculty, our memories of Middle.

—SENIOR CLASS OF 1948

In Appreciation:

We, the Senior Class of Middle Township High School, wish to express our sincere appreciation to all who have made possible this 1948 Middletonian. We especially want to extend our "hearty thanks" to Mr. William B. Wright, whose ingenuity, guidance, and patience helped to produce a "smarter" yearbook than would otherwise have been possible; to Mrs. Elizabeth R. Ludlam, for her untiring efforts; to all of the other teachers who so kindly gave their assistance when it was needed; to Mr. Burton Smith, editor of the Gazette, and his able staff; and to our friends, the advertisers, without whose financial aid this yearbook could not have been published.

We again sincerely extend our "thanks", and we hope that all these people, together with others who read this yearbook, will fondly remember the Class of Nineteen Hundred and Forty-eight.

Dedication

We, the class of Nineteen Hundred and forty-eight, dedicate this book to Mrs. Elizabeth Ludlam, who, through her relentless efforts and expert guidance, led us through a successful year.

The History Of The Class Of '48

In the fall of 1944 eighty-six perplexed Freshmen entered the doors of Middle Township High School. That year we were divided into three home rooms. Making new friends and becoming familiar with classes took up much of our time but one thing that especially stands out in our memory is our Freshmen party, held on May 4, 1945. Miss Mackay, Miss Wilbur, and Miss Black were our class advisors and the class officers were:

President	Drayton Hamm
Vice President	Frank Jacques
Secretary	Dolly Wolod
Treasurer	Alvin Garrison

There were eighty-three who returned to begin our Sophomore year. The first dance our class gave was a St. Patty's Dance. However, to us the most important thing was the ordering of our class rings. Our advisors were Miss Wilbur, Miss Harris and Miss Melvin. The following officers were chosen:

President	Bill Wolod
Vice President	Drayton Hamm
Secretary	Dolly Wolod
Treasurer	Alfred Schissler

Our Junior year brought seventy students back to join us. In October we gave a Halloween Dance which was very successful but the most outstanding event was our play, "Come Over to Our House." How thrilled we were when our class rings arrived just before our Xmas vacation. Our advisors for this year were Miss Conroy and Miss Melvin. Our leaders were:

President	Anne Menzel
Vice President	Dorothy Near
Secretary	Barbara Garrison
Treasurer	Drayton Hamm

Then September 1947! Seniors at last sixty-six of us. We had now become fully acquainted with the school and had tried to the best of our ability to make the school we loved, well known. The Senior play, "A Quiet Summer," turned out to be a successful Comedy. The year was filled by many activities, selling candy, writing paper, and Xmas Cards to prepare for our forth-coming trip to Washington. This year we were under the guidance of Mrs. Ludlam, with Mrs. Doughty lending a helping hand. Our officers were:

President	Anne Menzel
Vice President	Tony Chapparone
Secretary	Irma Charlesworth
Treasurer	Elinor Baker

BARBARA GARRISON

Prophecy Of 1948

THE YEAR — 1953 — STONE HARBOR — WARM WEATHER

DOT NEAR and I were talking about what a good time we have had on this beach party. Dot had just come home from New York after being in a play. It lasted for weeks but what can you expect with Dot the star? The party was swell, and it's a shame it had to end so soon. Little by little the people are leaving and we have found out what they are doing. Five years after graduation CUZ KELLY, DRAYTON HAMM, and NORMAN BLAKELY are still together in Cuz band. OLIE GARRISON has just finished a four year hitch in the Navy—JOHN ROBERSON has graduated from Indiana University and is going to coach a football squad this year. NINA COOPER is going to teach gym in the same school—IRMA CHARLESWORTH is teaching French in the new Middle Township High School, along with BARB GARRISON, who is teaching English and CARROLL WILDER who is teaching Chemistry. VERNON BUSH is head of all Photography classes there, and JEANNETTE HICKMAN is private secretary to the principal. DON TERRY is head of his own theaters now. TONY CHAPPARONE is modeling men's clothing—ED GARGAN, always interested in sports, was prepared to make our evening enjoyable. He furnished many memories by letting us relive our school football days from his vivid sports writeups. He is now working for a large newspaper concern. EARL CHESTER is piloting a Commercial Airways plane. BERT ARMSTRONG and MILLIE GARRISON are dancing partners in a New York night club. ELINOR BAKER is a nurse—HARRY WADE is a mechanic—DON WALDEN is studying to become a Real Estate Agent. LOLLY SPANGLE is kept busy at home with the twins. AL SADUK who has continued his photography, took pictures of the party earlier in the evening. RICHARD ENGLISH spends most of his time preparing political speeches—DON FOSTER is a doctor, with ALICE JONES his able assistant—FLORENCE BUTLER is designing dresses. ESTHER CHANDLER is running a candy store in Wildwood and PALM MATTERA is in charge of her own cut-rate drug store now. FRED LEMONT has a taxi business which he started in school with his jeep—GEORGE KETTELL is writing books. JANE PERRETEN has another year to go before she can become a medical technician—before long, she and CHARLES LAYTON, who is a car dealer, will say those fatal words. EUD MONICHETTI entered a debate on Universal Military Training on the positive side and as a result entered the service for four years. THOMAS HAND is secretary for a model agency with JANE FOWLER his business director. HARRY LAUGHLIN is faring very well in his new ESSO station—ADA CHAMBERS has her place reserved for her behind a stenographer's desk—FRANK CIFONI is designing hand painted ties and posing for hair tonic ads on the side. RAY ELLIS is still tending nurse-maid to his goats and keeping a stock of girl friends—ANNE MENZEL, we all agree, makes a very cute nurse. She can nurse ARDEN HAND'S fingers when he hammers them since he is now building houses along with HAROLD ELDRUP—ED WESTCOTT is so small he figures he could fit into almost any profession so he decided to enter the stock market. MARGARET QUINN is enjoying her work as a photographer's helper—JIM ALLAX is running the farm now but five years of hard work haven't made him forget how to clown. MARIAM DEAN is one of the others on our list as secretaries, along with BETTY HITCHENS. BILL DOUGLASS decided he would fit best in an advertising agency. ANNA HOFF and MARGARET ROBINSON both decided they would like to keep house. TINK ROBINSON is playing on a professional football team and JOE DECKER has become a professional baseball player—JOY STOUT is a Sunday School teacher—TIM RUSH is working for the Gazette. BERNICE NORBURY and LILLIAN HANSEN are both Cadet Nurses now—ELIZABETH DOUGHERTY is working at the restaurant. BEA DURKIN is famous for her candy—a specialty at Esther's store. BILLY FOWLER and JOHN CHAMPION are still floating around on little pink clouds doing odd jobs here and there—RALPH CHAMBERS decided to follow in his father's footsteps and become a hosiery worker. AL SCHISLER seems to be very capable of running the Stone Harbor Post Office and ALBERT WEEKS is 'workin' on the railroad.' ALICE ROSS is teaching in the grades at Whitesboro, and I guess that takes care of us all, doesn't it? If it doesn't, the rest must have crawled away somewhere after that night of JUNE 11th, 1948. As for myself I still haven't decided what I am going to do—maybe I'll know better in a couple of years.

Juniors

Class Of 1949

Although the Junior Class started its activities rather late in the year, its members have been very ambitious. In November some of them knit and sold orange and black mittens. Before Christmas the Juniors gave the first dance of the year with Danny Keen's Orchestra, and the aid of Jack Salvesen as master of ceremonies.

Returning to school after the holiday festivities, we decided to sell pins. These had the letters M. T. H. S., attached by a small chain.

After this everything began to happen at once. The Seniors turned their candy selling over to us while we were worrying about the Junior Play, and a St. Patty's Day Dance. However, everything worked out fine. We sold candy "hand-over-fist" without any great effort, so we had time to spend on the dance which turned out to be the best attended of the year. Music was furnished by our own disc-jockey, Kenny Coombs, ably assisted by Yorty Castor and Jack Salvesen.

The Junior play entitled, "A Date With Judy" offered enjoyment for those who attended, and likewise helped the class financially. The last event of the year for the Juniors was the "prom" given to the Seniors. Thus closed a busy but enjoyable, year.

Assembly

On an average of once a week we have been favored with an assembly program. Some were of a serious nature and others were packed with education and humor. Outstanding were the following which we will long remember:

- Sep. 8 Opening Day
- 15 Magazine Drive
- 26 Community Sing
- Oct. 10 Pep Meeting
- 16 Eliot James, Liquid Air
- 31 Pep Meeting
- Nov. 14 Ocean City Pep Rally
- 24 Cristine Carr, Harpist
- 25 Thanksgiving—Chorus
- Dec. 5 Skits—Senior Play
- 19 Christmas—Candle Light Service
- Jan. 16 Movie—March of Dimes Benefit
- 30 Football Award Program—Chamber of Commerce
- Feb. 6 Physical Education Program
- 13 Lincoln's Birthday—Junior Class Program—Radio Skit
- 20 Dramatic Club—Two Plays
- 23 Jack Raymond—Dietric Program—Reptiles
- Mar. 5 Honor Society—Induction of new members
- 12 Harold B. Davidson—Deep Sea Diver
- 19 Dramatic Club—Play
- 24 Easter Program
- Apr. 7 Dramatic Club Program
- 9 Skits—Junior Play

Honor Society

At the beginning of school, the seven remaining members—with Miss Nickerson—started immediately to make this an active Chapter. Twelve new members were added at an induction service held in assembly, March fifth, and that same evening a dance was given. An outstanding event was an egg hunt held for grades from pre-first through third.

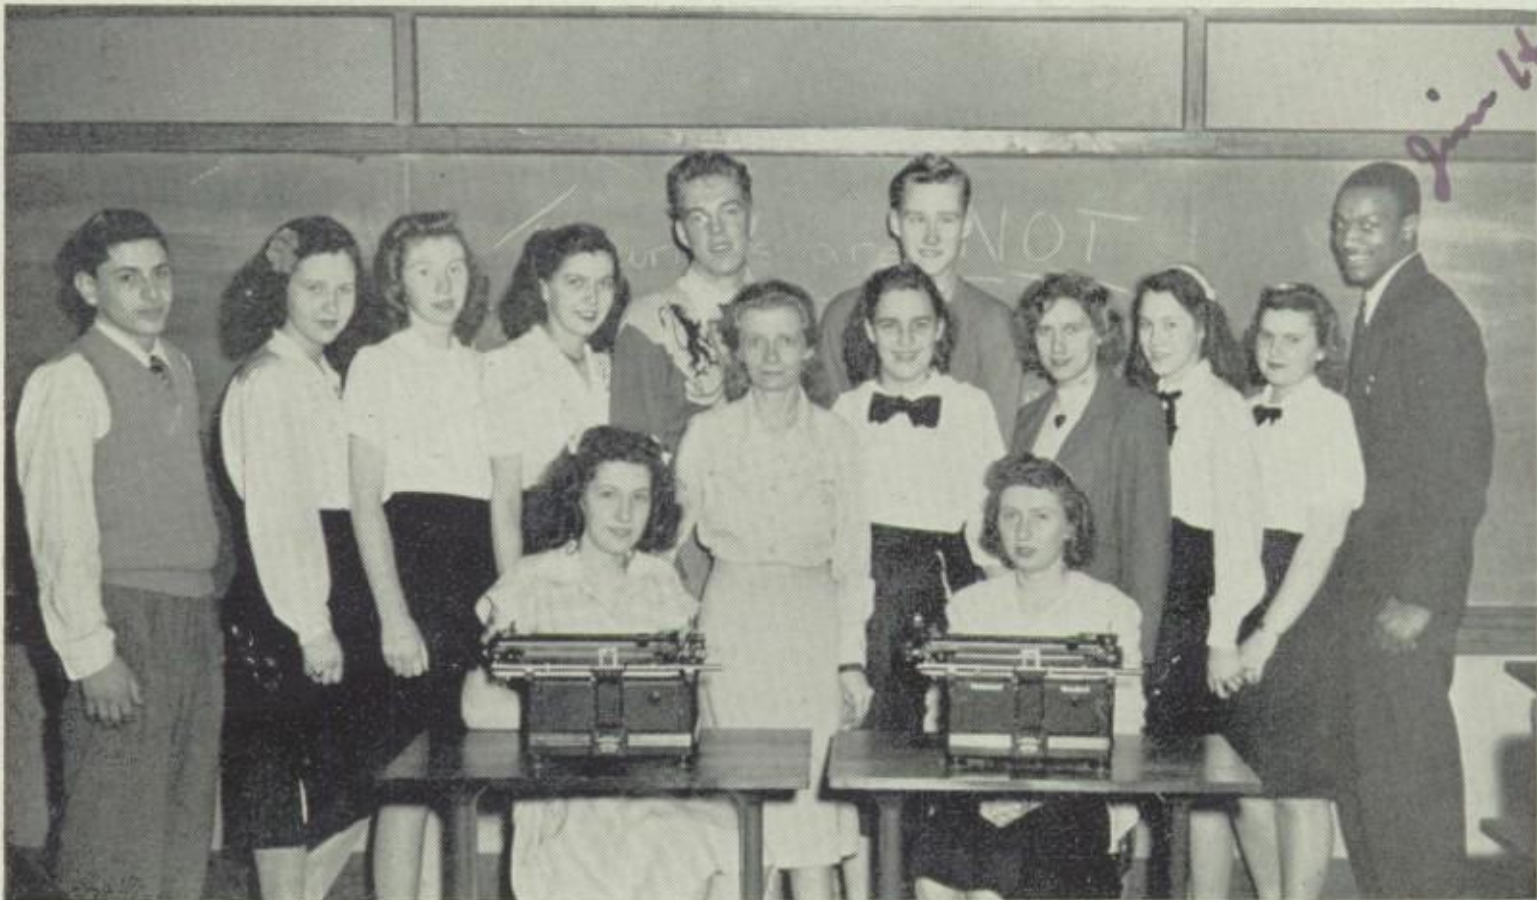

Key Club

This organization met for period lunch and business every Friday—during noon in the Home Economics Room. Mr. Powell was the faculty advisor who encouraged the group to sponsor the March of Dimes, the Red Cross drive, and noon movies several days a week for the enjoyment of old and young.

Girls' Athletic Club

The Girls' Athletic Club, consisting of seventeen members, was organized in September, with Mrs. Doughty as the leader. The girls participated in the following sports: touch football, volley-ball, basketball, and baseball. Every Tuesday morning during activity period, the club met in the school gymnasium for a bit of fun and recreation.

Newspaper Club

Under the capable direction of Miss Rowland, a newspaper club was organized in September. There were eleven members, composed of Sophomores, Juniors, and Seniors.

The "Middle Sampler" made six appearances, and we hope that it will grow and continue on through future years at Middle.

Dramatic Club

This club, under the name of "The Masquers", was assisted by Miss Nickerson and Miss Thornton. The members gave various plays in assembly, providing entertainment in an interesting and enjoyable manner for the student body. Next year the club hopes to obtain pins to indicate that its members are really "Thespians."

Library Club

The Library Club under the leadership of Miss Black, furnished improvements in the library by checking old books, returning books to their proper places, and fixing new pockets and cards to replace old ones. A new author and title filing system will be placed in the library as soon as the material arrives.

Handicraft Club

The Handicraft Club was organized under the supervision of Mrs. Cresse in September, 1947.

The chief accomplishment for the year was the knitting of argyle socks in a variety of colors. Through the cooperation of twenty-seven members, a successful display was presented in the Old Drug Store.

Stamp Club

The Middle Township Philatelic Club was organized late in the school year. Each Tuesday the group meets to discuss new issues of postage stamps. Some members have made album pages. Some send "First Day Covers". All have a good time with their favorite hobby.

Agriculture Judging Team

Mr. Courter entered a six man team in the state contests at New Brunswick. Arthur Cresse placed first in the state, in "potato disease identification". A four man team, sent to Glassboro for the South Jersey contest, placed second in "apple packing". There is also a dairy team, a feed identification team, and a team for judging and grading eggs.

Safety Patrol

Starting the year with fifteen old members, the Safety Patrol increased its membership to twenty-six; one Freshman, two Sophomores, twelve Juniors, and eleven Seniors, and sponsored by Mr. Young.

The Patrol helped to develop good citizenship among the students. After a year of activity, the Patrol celebrated by taking a trip to Shibe Park.

Airplane Club

The Airplane Club, sponsored by Mr. Manno, was formed in January, 1948. The club members buy and assemble kits of all designs and sizes. Some members such as Jacoby, build planes and race cars of their own design. So far the club has acquired one diesel engine and several gasoline ones to power the planes.

Science Club

The Science Club, organized in the earlier part of the year, under the supervision of Mr. Alfano, consisted of fourteen members — eight boys and six girls. The aims of the club were to promote and encourage interest in the field of science, thereby providing a broader background in this field.

Band

The band under the capable direction of Mrs. Likens, with five Majorettes and mascot, Lorraine Schafer, helped to make the football games a colorful spectacle. It was composed of Junior and Senior High School students who, for the first time, marched and played at the home games and two away. It also played at the county festival.

Chorus

The music chorus is composed of Seniors, Juniors, Sophomores and Freshmen. The members, accompanied by Norman Blakely, Alice Jones, and Jeannette Hickman, hold rehearsals under the direction of Mrs. Likens.

This group has participated in a Thanksgiving program, Christmas Candle Light Service, Easter program, Spring Concert "Largo," and the County Festival.

Orchestra

The orchestra, directed by Mrs. Likens and accompanied by Norman Blakely, had among its members four talented Seniors whose absence next year will be greatly noticed. The orchestra played for the Christmas Candle Light Service, for the Junior and Senior Plays, the County Festival, and the Spring Concert.

MIDDLE TOWNSHIP HIGH SCHOOL'S GRIDIRON POWERHOUSE overcame a slow start to trounce favored rivals by top-heavy margins. After two early reverses to Florence, Group 1 Champion, and Cape May in the season's biggest upset, Middle went on to conquer such large schools as Riverside, Mt. Holly, Lower Regional, Ocean City, and Egg Harbor. The Egg Harbor victory ended the Wine City's unbeaten, untied streak and proved Middle's status as one of the strongest in South Jersey.

Coach Tom Crist's charges rolled up 222 points while relinquishing 54.

Six players were chosen on the all-county first team. They were: Joe DeRose, stalwart center; John Marshall, powerful tackle; Don Walden, glue-fingered end; Alvin Garrison, smart and speedy quarterback; Ray Ellis, line-smashing halfback; and John Roberson, triple-threat halfback. Tony Chapparone, brilliant fullback, placed on the second team.

TONY CHAPPARONE, sturdy fullback, was always reliable. His brilliant consistent play was instrumental in Middle's sterling victories. Tony scored twenty-nine points, but his biggest asset was in pass interceptions and receptions in which he led the Middlemen. He grabbed fourteen passes for 187 yards and intercepted seven for forty-three yards! His interceptions frequently staved off enemy scores. In addition, Tony lugged the pigskin forty times and gained a net total of 193 yards for an average of 4.8 yards per try. Although Tony was chosen on the second All-County team, he still rates first with Middle rooters who have seen his bruising blocking, smart headwork, and high spirit register victories in the Orange and Black football records.

JOHN ROBERSON, Middle Township's triple-threat All South Jersey halfback, scored ninety-two points and passed for seventy-two others. John possessed a fine passing arm and tossed the Cristmen out of many tight spots. His kicking was also superb and his running earned him his fame as Middle's all-around gridster. At right John is showing his passing form which rival aggregations dreaded! John was named on the All-County team which is a mythical eleven chosen by the coaches of the four Cape May County schools, and the All South Jersey Group 1 eleven.

Jay Vees

The Middle Township High School Junior Varsity football squad compiled an unbeaten, unscored-upon record by winning two games and tying three. Roland Grant scored when Middle took a 6-0 decision over Wildwood and Tom Charlesworth tallied when the jolting Jay Vees downed Millville by the same score. The deadlocks came in the first Wildwood game, the Ocean City tilt, and the final Millville game. All were scoreless. The boys showed they had the potentialities, but lacked experience, and the past year playing on the Jay Vee eleven has probably raised their calibre of playing to the extent that many of them will be Varsity players.

Anthony DeVico and Henry Moore were at the terminal positions; Ralph Schellinger and Homer Springer filled the tackle slots; Bill Henry and Bob Bushay started at the guards and Bill McCarty was pivotman. In the backfield alert Joe Mac Gregor called plays, while Tom Charlesworth was fullback with Roland Grant and "Peanut" Black at the halves. Walt Fellenbaum who frequently saw action at right half played consistently. The spirited play of Homer Springer and Henry Moore has already earned them Varsity posts.

COACH VERNON "TOM" CRIST has undertaken a tremendous task at Middle Township High School and has done a splendid job. Coach Crist has taken over the responsibilities which are normally assumed by six or seven men in larger schools, and has produced more than the ordinary high school coach does. Mentor Crist coaches the Varsity and Junior Varsity football teams, the Varsity and Junior Varsity basketball teams, the track team and the baseball team. In addition he is boys' gym. instructor and he teaches several math. classes. Crist has been at Middle only two years and has done much to improve athletic standards there. He is a graduate of William and Mary; he played both basketball and baseball there. His thorough knowledge of sports and his expert guidance of the boys, along with a fine competitive spirit, make him liked by all the students.

ALTHOUGH THE 1948 BASKETBALL SEASON could hardly be termed more than mediocre, Coach Tom Crist's dribblers frequently showed signs of being a championship quintet! The boys caught fire at the end of the season capturing four straight decisions to finish the season with a six-eight record. The victory over Haddon Heights by a wide margin was the boys' best showing. The 51-39 conquest of Ocean City was the first time in nineteen years that a Middle five had downed the Red and White! Tony Chapparone was the sparkplug of the quintet garnering an even two-hundred points over the season, almost half of Middle's point production.

Joe Mac Gregor and John Jones at forwards, Henry Moore at center, and Charles Bock and Bill Sturm at guards rounded out the starting five with Allen Hudson the "sixth" man. These boys are all expectant Varsity players for next year and the experience gained through the past season will help them check in with victories for Middle.
